# Evaluation

## Checklist

### Preparation Checklist

- Watch the video on Youtube, *Making Firm Tofu*;
- Write down the measurements;
  - \_\_\_\_\_ g of soybeans
  - \_\_\_\_\_ ml water
  - \_\_\_\_\_ hours of soaking time
  - \_\_\_\_\_ ml salt
- Materials needed;

| Appliance | Pots | Bowls/<br>Plates | Measuring<br>Tools | Utensils | Other |
|-----------|------|------------------|--------------------|----------|-------|
|           |      |                  |                    |          |       |
|           |      |                  |                    |          |       |
|           |      |                  |                    |          |       |
|           |      |                  |                    |          |       |

- Take your cellphone or borrow my laptop.

| <b>Lessons Learned</b>                     | <b>Things will do differently</b>                   |
|--|---|
| Cost of handmade organic tofu is expensive | Offer checklists                                    |
| Modelling teamwork-Build on strengths      | Do not leave any device anywhere close to a blender |

# Skateboard: Freedom Rollers

<https://youtu.be/bcPkMGJss6A>

**THE FREE ROLLERS**  
Youth. Empowerment. Fearless.

**FREEROLLERS**  
HANDMADE SKATEBOARDS

JGHS ENTREPRENEUR PROJECT

The graphic is a promotional poster for 'THE FREE ROLLERS'. It features a black silhouette of a skateboard at the top left. The title 'THE FREE ROLLERS' is written in a bold, green, blocky font. Below the title is the slogan 'Youth. Empowerment. Fearless.' in a smaller, black font. The central part of the graphic is a collage of four photographs: a person sitting on a skateboard outdoors, a group of people with a large red circular structure, a person on a skateboard, and a close-up of two skateboards and a pair of laces. At the bottom, the word 'FREEROLLERS' is written in large, orange, block letters, with 'HANDMADE SKATEBOARDS' in smaller green letters below it. In the bottom right corner, 'JGHS ENTREPRENEUR PROJECT' is written in small green letters.

# Program:

---

**Class: Entrepreneurship in Map 34**

**4 students and a CCW**

**Create a company, make a business plan, market the product.**

**Academic / vocational debate**

# Roarokit

---

- **\$1000 for 10 boards, all the tools and even the glue**
- **Wheels A little under \$50**
- **You can use your own veneers**
- **You can even shape your own styrofoam**
- **Need varnish**
- **Iron on transfers, sharpies, paint, decals/stickers etc...**

# Project \$

---

- Buy 1 donate 1 to someone with ASD
- <http://askate.org/>
- \$750 OESentreprenure grant + another \$700 prize winner
- School \$5000 to start off

# Marketing:

---

**Song:**

**<https://drive.google.com/file/d/1rDI1pwhtHjuLoR9VeYj10-HZxbNjz3kl/view?usp=sharing>**

**Commercial**

# Lessons Learned

---

- No money in the skateboard-kit business
- BUT there are grants
- Wheels and trucks are very expensive
- Heat transfer paper is tricky
- I'm probably not a good vocal coach

# Outcome

---

- Genuine engagement with woodworking, gardening
- Very empowering
- A bunch of great experiences

# Outside Organizations:

---

- Youth Fusion: <https://fusionjeunesse.org/en/>
- OESentreprenre: <https://www.osentreprenre.quebec/>
- Roarokit: <https://www.roarokit.com/>
- Upstarted: <https://www.upstarted.org/>

# This year

---

- Try to get a gardening angle
- We've been working on job interviews

# Other Projects

---
