Revising a

Comic

One suggestion I have for the writer of this comic to consider is:

Criteria for writing a Comic: ✓

1. The title describes the comic.
2. The comic tells a story or communicates a message through the illustrations.
3. Expressions on the characters' faces and their body language add meaning to the comic
4. The captions or speech bubbles match the illustrations.
5. The author uses special effects like Z-z-z-z-z, POW!, or font changes
6. Each panel contains one action.
7. The author tries to use some humor to highlight the message.
