

Name: _____

Date: _____

PRESENTATION

Planning an oral presentation with support materials:

1 I am using one or more of the following audiovisual or media elements: ✓

- | | |
|---------------------------------|---|
| <input type="radio"/> a drawing | <input type="radio"/> a video or audio clip |
| <input type="radio"/> a photo | <input type="radio"/> a slide show |
| <input type="radio"/> an object | (PowerPoint, Prezi, etc.) |
| <input type="radio"/> a model | <input type="radio"/> other _____ |

2 What do I need in order to create my support materials?

-
-
-
-

3 How will I use my support materials during my presentation? What message am I trying to clarify or highlight?
