I can think like an Artist

I created...

- How did you get the idea to make this?
- How did you plan your artwork?
- How did you begin your artwork?
- How well did you use materials?
- Did you do your best job?

I love...

- What do you love about this artwork?

I see...

- What type of artwork is it? (ex. Portrait, collage, sculpture, etc)
- What shapes do you see?
- What textures do you see?
- What colours do you see?
- How can you describe the lines you see?
  Use your Art vocabulary!

I wish...

- If you could go back, what would you have done differently?
- What would you change about your work?

"An artwork is never done- we just have to choose a stopping point"

I think...

- What did you learn from the whole experience?
- What did you learn about that material, artist, and/or theme?
- What ideas do you have for your own work?

I connect...

- How does this artwork make you feel?
- What does this artwork remind you of in your life?
- What does this artwork remind you of in the real world?
