

JANUARY

31ST

MINING MATTERS WORKSHOP

Join us for a Day of Mining
9:30 to 3:00 @ LEARN

LEARN is excited to collaborate with Mining Matters in offering this free full-day workshop on rocks and minerals for Grade 4 to 6 science teachers.

The Deeper and Deeper - Discovering Rocks and Minerals resource kit will be fully explored. Get your kit in time for the workshop, manipulate the material with a facilitator being present.

Order your kit online before January 10th (\$60.00 + 15\$ shipping) and it will be waiting for you on site on January 31st. For more information on the kit go to www.miningmatters.ca

Contact Chris Colley ccolley@learnquebec.ca for more information
