

Beams

Beam with eye

Beam with connector peg
1 X 2

Beam
1 X 2

Roof beam
1 X 2

Beam
1 X 4

Roof beam, inverted
1 X 2

Roof beam, inverted
1 X 3

Beam with plate,
2 module

Hinge
1 X 2

Roof beam
1 X 3

Beam 1 x 6

Beam 1 X 8

Beam 1 X 16

Curved beam
1 X 6

To calculate the size of a **REGULAR BEAM**, count the number of studs (little nodes) **ON** it (length and width). To calculate the size of an **INVERTED BEAM**, count the holes **UNDERNEATH** it (length and width).
